• Photo of planted tree(s) on your property.

RESOURCES

GENERAL INFORMATION

TID offers multiple rebates for your home that not only reduce your energy consumption and lower your electric bills, but also helps improve our environment. For more information on energy conservation tips, please visit our webpage at www.tid.org/rebates.

HOW TO APPLY:

- 1. Fill out Application or visit our webpage to apply online at www.tid.org/rebates.
- 2. A copy of the receipt showing the purchase of the item(s) you are claiming a rebate for.
- 3. Depending upon the rebate claimed, a copy or photo of the ENERGY STAR® certified label may be required. When specified, a copy of the ENERGY GUIDE with the ENERGY STAR® logo may be required.
- 4. See rebate requirements for supporting documentation required.
- 5. To mail-in applications and supporting documents, please address to:

Turlock Irrigation District Attn: Rebates P.O. Box 949 Turlock, CA 95381

Please refer to the Terms & Conditions to verify rebate eligibility.

For More Information visit: www.tid.org/rebates or call the Rebate Line at 209-883-8432

TERMS & CONDITIONS

- New unit or product must be installed and operating in a residence in the TID Service Area.
- Rebate application must be received within six (6) months of product purchase date.
- Programs are subject to change or termination without prior notice. Please visit www.tid.org/rebates for details on current programs. You may also call (209) 883-8432 to verify your efficiency measure qualifies for a rebate BEFORE purchase or installation.
- Keep a copy of all documents submitted; documents will not be returned.
- Please allow four to six weeks for your application to be processed.
- Discrepancies can invalidate the rebate application.
- Approval of rebate is at the sole discretion of TID.
- Rebates are subject to inspection and verification by TID.
- All rebates are subject to additional rebate specific requirements.
- TID is not responsible for any items delayed or lost in the mail.
- TID disclaims any and all liability for loss or damage which may arise as
 a result of the applicant's participation in this program and makes no expressed
 or implied representation or warranty that the installation of the product will
 result in a reduction of the applicant's electric utility bill.
